XIII. Executive Director's Report

a. CASL registration-registration is open, team applications due by Feb 15th. On the website each community has a separate link with registration instructions. Players need to register by March 1st. New coaches need to contact Scott to get username/password for Got Soccer(risk management card). A reminder, on team application, list teams home game fields.

b. Capital Area Classic-paper work is turned in.

c. CASL winter clinics-held at soccer zone, first clinic 30 participants second clinic about 36.

d. CASL clubs meeting-Chris Scott is still interesting in doing one, maybe at the end of the month.

e. Lansing Sport magazine-May will be the soccer addition, Scott will put together some soccer information for it and contact Chill and TNT to see if they would be interested. Would like to run an add for CASL, \$1000 for a full page, \$1600 for 2 pages, see if they will give a deal on the cost.

f. MSU community visits-For spring have the women's teams do clinics. They have fewer coaches so they may use some of the men's coaches. Suggested that the community clinics be more organized with specific training like keeper or defense. Dates will need to be sent out as soon as possible to finish them up by the end of May.

g. MSYSA Accredited- Looking to get CASL league accredited through MSYSA, doesn't cost anything, Scott would write up a report, bring a copy to the meeting once it's submitted. It would be good PR for CASL.

XIV. Round Table-none

XV. Next Meeting- Feb 13th 7:00 pm, location TBA

Motion to adjourn at 7:45 pm by S. Bachelder, 2nd by H. Johnson.

Submitted by Secretary, F. Bergstrom
